

About the Route

- Productivity ranks 2 of 7 in passengers per revenue hour.
- One-way loop in Turlock adds travel time and makes the route circuitous
- Slower trip than Route 10, but serves more locations between endpoints
- Service is infrequent on Saturdays (every 105 minutes)
- No service on Sundays

Public Comments

- Sunday service between Turlock and Modesto on either Route 10 or 15

Opportunities

- Offer service seven days a week
- Introduce hourly service
- Shorten route to run between Ceres Walmart and Turlock to reduce duplication of service with other routes in Ceres going to Modesto

Proposed Changes

- Where it goes: Route would run between the Turlock Transit Center and the Walmart in Ceres, with local stops in Keyes. Connections within Ceres would be made by transferring to the proposed routes 29, 36, or 44. Connections to downtown Modesto could be made on proposed Route 29.
- When it runs: Add weekend service
- How often it runs: Every 60 min at worst on all days
- Other changes: Improve reliability

Route 15
