- Low productivity – 4 passengers per trip on weekdays

## Public Comments

---

- No public comment

## Opportunities

---

- Very low ridership in Westley and Grayson (less than 10 boardings in each direction on weekdays). Consider transitioning service to human service providers.
- Improve frequency to hourly, and operate 7 days per week
- Provide service on Paradise Avenue to enhance that high frequency corridor

## Proposed Changes

---

- Where it goes: Route would run between the shopping centers along Las Palmas Avenue and Sperry Avenue in Patterson to the Modesto Transit Center via Paradise Road. Service to Westley and Grayson would not change. When it runs: Add weekend service
- How often it runs: Every 60 minutes, daily
- Other changes: No change
